

# MATH INSTRUCTOR FOR ARMENIAN PROGRAM

## WHY JOIN US

BISA is a Pearson accredited school in Armenia providing international A-level and iGCSE learning programs and certifications to learners in Armenia, along with national Armenian curriculum and graduation diploma. Currently we are seeking a Math teacher for Armenian program with relevant experience and accreditation. The hours of instruction will be scheduled between 10 - 2:30 PM Monday to Friday.

## SKILLS & PERSONALITY

- Experience in teaching mathematics in Armenian public or private school sector, with relevant accreditation.
- Love towards instruction and learning new methodology of delivery.
- Excellent awareness of current Armenian math curriculum, assessment and evaluation.
- Computer literacy and competence in keeping student records
- Advanced level of English (C1 and above preferable) is a huge advantage to transition to teaching Pearson A-levels Math as well.
- Relentlessly outgoing personality, sociability, natural conflict manager with a knack for de-escalation and problem solution.

## APPLICATION

To apply, send your updated CV through the LinkedIn contact or to [info@bis.am](mailto:info@bis.am), indicating "Math Teacher\_Armenian" in the subject line.

2 references from previous employers will be required once the 2 interviews are successfully completed.
