

# SCIENCE INSTRUCTOR FOR PEARSON PROGRAM

## WHY JOIN US

BISA is a Pearson accredited school in Armenia providing international A-level and iGCSE learning programs and certifications to learners in Armenia, along with national Armenian curriculum and graduation diploma. Currently we are seeking a Science teacher for Pearson program with level C1 English skills and relevant experience. The hours of instruction will be scheduled between 15:00 - 18:00 Monday to Friday.

## SKILLS & PERSONALITY

- Experience in teaching science (Physics or Chemistry/Biology) to middle school or high school students
- Love towards instruction and learning new methodology of delivery.
- Computer literacy and competence in keeping student records
- Advanced level of English (C1 and above) to ensure flawless delivery of the subject matter in English
- Relentlessly outgoing personality, sociability, natural conflict manager with a knack for de-escalation and problem solution.

## APPLICATION

To apply, send your updated CV through the LinkedIn contact or to [jobs@bis.am](mailto:jobs@bis.am), indicating "Science Teacher \_ Pearson" in the subject line.

2 references from previous employers will be required once the 2 interviews are successfully completed.
